Summary: Naruto tired of being treated like shit by everyone. What will people do when they are tired being treated like shit by everyone? they leave and that is what naruto will do. First story, please don't be so quick to judge.

1. Chapter one

**Hello everyone, this is my first time creating a story, and english is not my native language so please bear with me allright.**

** Chapter one**

Deep inside the forest of hi no kuni, there exist a village of konohagakure no sato where most of the occupants are ninjas/shinobis. This village is created by two clans, The Senju clan reknown for their expertise on ninjutsu and other ninja skills, and the Uchiha clan reknown for their Sharingan which can copy a lot of ninja skills like ninjutsu, taijutsu, and others but they are feared because of their genjutsu because if you are stare into the Sharingan eye of an uchiha you will most likely traped inside a genjutsu.

But enough about that, this isn't a story about how the village of konohagakure were created this is a story about a boy who became a pariah of konohagakure because of a burden he never ask to bear. This is the story of a seven years old Naruto Uzumaki who is being chased by an angry mob because he stole an apple, now you might ask why Naruto stole an apple that is because when Naruto was five he was kicked out of the orphanage and nobody is willing to help the pariah of the village but there is only two people who always try to help Naruto whenever he needs it, they are the Ichiraku family Teuchi and his daughter Ayame who sold Naruto their ramen and sometimes they gave him ramen for free, but Naruto realizes that it is not healthy to eat ramen everyday thus is why he stole an apple this is not his first time he stole something from someone before he stole an apple

he already manage to steal a few vegetables inside a store, but when he grab an apple the store owner saw naruto ransacking his veggies he immidiately shout for help and chase Naruto away, thus leading us to the current situation where Naruto is running away from a mob of angry people.

'SHIT,SHIT,SHIT I NEVER THOUGHT HE WILL SEE ME WHEN I GRAB THAT APPLE' thought Naruto.

"Well i did warned you when you are going to grab that apple" the voice of Kurama inside of Naruto's head.

'NOT HELPING KURAMA!' naruto thought frantically.

"well why don't you create a kage bunshin to attract those mob while you hide at an alleyway?" kurama replied.

'why didn't i think of that?!' Naruto thought and facepalming while running.

"that is because you're an idiot" kurama said.

'love you too Kurama' naruto replied.

'Kage bunshin no jutsu' Naruto thought, then a perfect replica of naruto appear beside him.

"you know what to do?" Naruto asked, the clone of naruto nod then it takes off to a different direction from where Naruto is heading while laughing his off automaticaly drawing all the attention to it.

When the mob chased the clone of Naruto, the original went into hiding, after 5 minutes of hiding Naruto went out from his hiding spot.

"that was close" Naruto sigh.

"no shit" kurama said,

"this reminds me of the time when i first met you" Naruto said.

Flashback 2 years ago

"i'm...hungry..." said a five years old Naruto who is currently starving.

"Need...food...he...l...p..." then he fainted.

inside Naruto's mind

'where am i? this place looks like a sewer' thought Naruto while looking at his surrounding.

"come here brat" a voice said from somewhere.

"hmm..who is that?" Naruto said then he started to follow where the voice came from, when Naruto arrived he saw a massive gate. "that is one big gate... i just hope there will be no weird warriors wearing metal armor and dragons came out of that gate if i decided to open

it."

"come closer brat" the voice said.

'should i or should i not? decisions, decisons...meh i got nothing to lose.' naruto mused. As he went closer to the gate then suddenly...BAM! a giant claw tried to strike Naruto from behind the gate.

"OH MY GOD THERE IS A DRAGON BEHIND THAT GATE!" Naruto shouted.

"I'M NOT A DRAGON YOU BRAT!" the voice shouted. Then Naruto look closely for what creature is living behind the gate.

"You're a huge dog?" Naruto ask because what he saw is a huge canine creature with two rabbit ears and nine tails swaying behind it.

the suspected dog have a huge tickmark on it's forehead** "I'M A FOX YOU MORON!"** the now known fox shouted.

"WHAT KIND OF FOX HAS RABBIT EAR!?" Naruto shouted back.

"WELL I HAVE YOU STUPID APE!" the fox shouted back.

"WHAT DID YOU SAY YOU FURBALL?!" Naruto shouted back, and thus began a long arguments beetween a giant fox and a five years old boy.

**"uhh.. guys not trying to intrude your bickering but we need to keep the story moving"***

"SHUT UP YOU SHITTY AUTHOR!" both Naruto and the fox yelled at the same time.

**"ok..."** i said and start sitting at a corner** "why are they so mean?..."**_

"bah... stupid apes. Anyway you need to start eating your body barely had any strength left" the fox said.

"ok.. but what can i eat when nobody is willing to give and sell something to me?" Naruto ask.

***"what do you mean by that? aren't you a royalty?"** the fox ask back.

"what is royalty?" Naruto ask back.

"stupid ape, you are really dumb you know" the fox said.

"HEY! you can't know a lot of things when nobody is willing to taught you anything..." Naruto said.

the fox only look at naruto, then it sigh** " A royalty is someone who came from a noble clan or family"***

"oh you mean like those weird people with white eyes and the other weird people with red eyes?" Naruto ask.

"yes the hyuuga are weird and they have lavender eyes not white while those cursed uchiha have red eyes" the fox said.

"right so you mean i came from a noble clan? yeah right even i know that is just a lie" Naruto said while glaring at the fox.

"your father is the fourth hokage" the fox said.

"you're kidding me right?" Naruto ask.

"Hell no, i mean who else in this damned vilage have a tanned skin, blonde hair, and blue eyes?" the fox ask back.

Naruto eyes widen when he heard the description of fourth hokage.

"WHAAAAAATTTTT?!" Naruto shouted.

"sheesh kid you are really loud you know that right?" the fox said then sweatdrop when Naruto increased the volume of his shout.

"YOU MEAN I'M THE SON OF YONDAIME AND EVERYONE TREATS ME LIKE DIRT EVERY SINGLE DAY SINCE THE DAY I WAS BORN?!" Naruto yelled/ask at the same time.

"well to be honest that old monkey told the council to keep it a secret from the villagers but he announce that i'm sealed inside of you " the fox said.

"old monkey? you mean the third hokage?" Naruto ask.

"yeah,him" the fox said.

"that old fart is lying to everyone and me this whole time? and he told everyone that you were sealed inside of me?" naruto ask.

"yep, but i'm gonna be honest with you when i attacked this vilage i was controled by someone then your father splited my power into two he sealed me into you, and sealed my other into himself thus making both of you jinchuuriki before he dies with your mother" the fox said.

"wait my mother? and what is a jinchuuriki?" naruto asks.

"yes your mother Kushina Uzumaki the woman who always shove a chain into my body and jinchuuriki is a human who have a tailed beast like me sealed inside of them. there are 9 tailed beast ichibi, niibi, sanbi, yonbi, gobi, rokubi, nanabi, hachibi, and me the kyuubi you get what i'm saying?" the fox explained.

"so you mean there are more people who have to deal with annoying giant animals with tails inside of us?" Naruto ask.

"The only one annoying is you stupid ape" the fox said with a giant tickmark on it's forehead and twitching eyebrow.

"okay then" naruto said.

"now begone there are people trying to wake you up" the fox said.

"huh?" the only thing naruto can said before he wwas taken out of his mindscape.

outside of Naruto mindscape.

Naruto slowly open his eyes.

"Dad he is waking up!" a female voice said.

"hey kid are you allright?" an elderly voice said.

"food..." Naruto said.

"dad why don't you give him a bowl of ramen?" the girl said.

"allright one bowl of ramen coming right up" the old man said.

"thank...you.." naruto said.

"it's allright" the girl said.

"here is the ramen kid" the old man said while handing naruto a bowl of ramen.

"thanks old man, itadakimasu" naruto said before he start slurping the noodle.

"OH MY GOD THIS RAMEN TASTED AMAZING" naruto shouted. The old man laugh when naruto said that while the girl only giggle.

"ahaha...glad you like it kid" the old man said.

"like it? I LOVE IT" naruto said "by the way who are you people?"

"well my name is teuchi ichiraku and this girl is my daughter ayame ichiraku and you are in our ramen bar " the old man said.

"hi" the girl said.

"well my name is Naruto uzumaki and i thank you for your kindness" naruto said.

"it's no problem kid, if you want to eat you can come anytime you wanted" teuchi said.

"well i don't want to be a burden for you two..."naruto said.

"no ,no, no you can come here anytime kid it won't be a problem" teuchi said.

"really? thanks old man" naruto said then he hug the old man.

"hehe.. no problem kid" teuchi said.

"ok then i gotta go now, bye teuchi jii-san, ayame-san" naruto said before he went outside.

"are you sure it's alright dad?" ayame ask.

"it's alright Ayame. Minato and Kushina will be rolling inside their graves when they see what this village have done to their son" teuchi said.

****MEANWHILE WITH NARUTO****

"man what a nice family" naruto said.

****"yes they are very nice" ****a certain giant fluff of ball said.

"wait a minute is that you furball?"naruto ask.

****"yes it is me human, and if you want a conversation with me you just have to use your mind so people won't think that you are crazy" **** the fox said feeling a little irritated because this human insulted it.

'does this work?' naruto thought.

****"yes it work" ****the fox said

then suddenly naruto saw an elderly person with white robes coming for him. "ah naruto-kun how is your day in the orphanage?" the elderly man ask

"hmm.. haven't you heard that i was kicked out of the orphanage hokage-sama?" naruto ask while holding back his anger before he lashing out. ' this old fart ruined my life and he dare to have a conversation with me like we are a family?' naruto thought.

"THEY DID WHAT?!" the hokage yell in anger.

"he is faking his anger brat" the fox said.

"yeah, and the people in the orphanage didn't even bother to teach me anything" naruto said coldly.

"don't worry brat i'm gonna teach you some common sense and a jutsu for you so you won't become and idiot" tho fox said.

'why the sudden interest fox?' naruto thought.

"it's simple i don't want an idiot as my jailer" the fox said.

'ok then' naruto thought.

"naruto-kun i will give you an apartment in the red light district because that's the only empty apartment in konoha currently" the hokage said with an expertly executed fake smile. "now hang on we are going to your new apartment" the hokage said before he put his hand on naruto's shoulder.

"he is lying again brat"naruto heard the fox said before everything become a blur.

"we have arrived" the hokage said.

when the blur dissapear naruto saw a door of a shithole apartment, the wall is grey, there are cracks visible everywhere and garbage littered the place.

'fucking hell' naruto thought.

"and naruto-kun since you lack clothes i already prepared some clothing for you" the hokage said before he tossed some clothing at naruto.

when naruto saw the clothing naruto thought 'he want me to die isn't he?'

"definitely" the fox said when he saw the clothing.

the clothing the hokage gave to naruto is a hideous orange jumpsuit that literaly scream 'PLEASE KILL ME!'

"well, i see you later naruto-kun"the hokage said before he disapeared in a swirl of leaves.

'...fox what do you think about leaving this village?' naruto ask the fox

"just do it, you have nothing and will have nothing if you stay in this village" the fox said.

"allright it's settled then i'm going to leave this village" naruto said.

***"but you are just a brat with no ninja skill how are you going to

leave this village?"** the fox ask.

'well i need to train in ninja skill first... fox can you help with that?' naruto ask with hope in his voice.

"well i can give you instruction on what to do but you must do anything else by yourself" the fox stated.

'fair enough, i'm in your care' naruto thought.

"now where are you going to train? i mean you can't let people know that you are training your ninja skills if they found out they will report it immediately to the hokage" the fox ask.

"there is only one place where most people is reluctant to go inside... the forest of death' naruto answered.

"aren't you a little too young to went in there?" the fox asked again.

'i doesn't matter if i'm too young or not, training ground fourty four is the perfect place to train especialy survival training, after all if i managed to leave the village i will need to live on the road meaning i must know how to hunt food, make a fire, create a shelter and other things thus is why it's the perfect place to train' naruto replied.

"when you put it like that it does makes sense to train in the forest of death" the fox said.

'ok tommorow i'm gonna start training in the forest of death... but now i need to sleep first' naruto thought before he went inside his shitty apartment.

STOP.

**well this is the second chapter i hope you guys enjoy it.**
